

Central Street Infants and Nursery School  
Year 1 Class Newsletter  
November 2023

Dear Families,

It is lovely to welcome the children back last week. They have settled straight back into routine into what will be an extremely busy half term in the run up to Christmas.

### **How can you help?**

Thank you for supporting the children with their reading. It is really having an impact; the children are reading much more confidently with greater expression. Please remember to sign the reading record to show your child as read the book.

We will soon start taking a library book home to share in addition to their reading book. This is a book for you to share, to read to your child rather than for them to read to you. I am attaching a copy of our consent letter unless you have already completed this in Valley Class.

If your child does not yet have a red book bag it would be so useful if you could purchase one from the office. It fits perfectly in the children's drawers and it's easy for them to pack their stuff up each day. We'd like the children to always have their reading book, reading record and library book with them each day so that staff can make comments and record book titles in the reading record.

Thank you for your help!
