

## Maths

We will be learning about numbers to 100. We will:

- Add and subtract numbers to 20.
- To find 10 more or 10 less than a number.
- To add or subtract a 1-digit number from a 2-digit number.
- To add and subtract two 2-digit numbers.
- To learn about making an exchange when adding or subtracting.
- Identify and describe the properties of 3D shapes, including the number of edges, vertices and faces.
- Identify 2D shapes on the surface of 3D shapes, [for example, a circle on a cylinder and a triangle on a pyramid].

## Jigsaw & R.E.

### Jigsaw – Celebrating Difference

- Accept that everyone is different
- Include others when working and playing.
- Know how to help if someone is being bullied.
- Try to solve problems.
- Try to use kind words.
- Know how to give and receive compliments.

### RE- How can we make good choices?

- Know about the Ten Commandments and their importance for Jews, Christians and Muslims.
- Understand Muslims commitment to the 5 pillars of Islam.
- Retell the meaning of stories and parables and compare different stories.

We will also be participating in Anti-Bullying Week, including Odd Socks Day and Children in Need.

## Geography

- Draw a simple sketch map.
- Use a map or atlas to find places in the United Kingdom.
- Use a map or atlas to locate other countries around the world.
- Study different locations and find out about their Christmas customs.

## Autumn 2 Christmas Around the World

## P.E.

### Yoga and Rugby

We will be learning to:

- Practise and develop skills such as throwing, catching, aiming and agility skills.
- Apply skills to small games.
- Develop ball skills – throwing, catching and passing.
- Build stamina and resilience.

## English

We will be using the text Beegu by Alexis Deacon and to support our learning.

Children will be learning:

- To put themselves inside the story and empathise with characters and their issues and dilemmas.
- To develop creative responses to the text through drama, poetry, storytelling and artwork.
- To use capital letters and full stops accurately.
- To use adjectives to describe and improve our sentences by editing.
- To use our phonics learning to help us write clear sentences.
- To read and write some Year 2 key words.
- Regular SPaG sessions, handwriting practice and weekly spellings will also continue.

## DT – Textiles

This half term we will be learning how to make a Christmas gift bag. We will be learning:

- To understand what makes a good bag.
- To think about the best material for a bag.
- To use a range of tools and equipment to join fabric safely.
- To add decoration carefully
- Evaluate and discuss what we think of the finished product.

## Computing

This half term we will be thinking about what makes a good photograph.

- Using landscape or portrait to fit everything in the frame.
- The importance of focus.
- Lighting
- Effects
