

Governor vacancy

We are looking for an individual to join the governing body of the Hebden Bridge Schools Federation as an associate governor and in particular are looking to receive applications from people with experience in HR, Legal or Finance.

Our Governing Board is made up of parent, staff, local authority, co-opted and associate governors.

The Governing Board operates at a strategic level and is not involved in the day-to-day running of our schools. We are responsible for setting a vision for the federation, promoting high standards and ensuring that our schools work efficiently and effectively. This is done by building a thorough knowledge of our schools and community, by supporting and constructively challenging the schools, and by ensuring accountability and compliance.

Governors need not be experts in the field of education. What they need is an interest in our schools and the welfare of pupils, together with the time and willingness to get involved.

So, if you have good experience to offer, work well as part of a team and can make a commitment to undergo training, build knowledge on school strategy and fully prepare for and attend meetings, then do take a look at our application form and code of conduct.

If you are interested please get in touch with our Chair at amanda.ward@centralstreet.calderdale.sch.uk - contact her to arrange an informal chat with an existing governor to help you decide whether to proceed with an application.
